The purpose of this program is to teach soccer, have fun, and learn sportsmanship. Players look to their coaches as role models and the things players see you do leave lasting impressions as they continue to play the game in later years. We're all human and we all make mistakes including referees, coaches and parents. It's the kids' games so let them be the ones that benefit most!

It is the philosophy of the Carlinville Park District that the importance of youth recreation should be on participation and skill development rather than winning or losing. Given this statement of philosophy the following guidelines will govern the Youth Soccer season.

Please try to rotate players and playing time. Do not get caught-up in the same rotation of players each and every game. This would cause the same players to have the minimum amount of time each game. Please do your best to play the players EQUAL and let them play as many positions on the field as possible. Remember this is a recreational league that is set-up for the kids to have fun first. **Any questions or concerns please feel free to contact me at any time Regie Byots 217-415-3154.**
